Reports

Chair's Report – All is well.

Secretary Report- Minutes were on the web within 24-48 hours of Area Service last time. All is well.

Treasurer Report- The balance brought forward of the Area's Treasury on May 17th, 2014 was one hundred four dollars and twenty-two cents (\$104.22). **Carrying The Message** donated twenty-five dollars (\$25.00), **Gratitude Group** donated fifty dollars (\$50.00), **In The Wind** donated twenty dollars (\$20.00), and **Turning Point** donated twenty-five dollars (\$25.00). Rent in the amount of ten dollars (\$10.00) for use of our meeting space was given to Jamie P., GSR for **Turning Point**.

The AT&T invoice for May 5th through June 4th, 2014, was in my mailbox when I returned home from the last ASC meeting. The amount charged for this billing cycle was fifty-one dollars and five cents (\$51.05). AT&T was contacted on Monday, May 19th, 2014 at 11:28a.m. I spoke with numerous individuals at AT&T that

included Daylon, Ms. Garcia, and Grant. It was explained that the twenty-three dollar and nine cents (\$23.09) per month was a promotional rate that is no longer in effect. So, with the credit balance we had of nineteen dollars and seventeen cents (\$19.17) we owed thirty-one dollars and eighty-eight cents (\$31.88) on the bill. The Chair, Secretary and Treasurer all agreed that paying for this one month was the best option as we know that there are other service providers available that are cheaper. A Cashier's Check in the amount was secured and payment of thirty-one dollars and eighty-eight cents (\$31.88) was mailed on Monday, May 19th, 2014. A copy of the Cashier's Check is in the Treasurer's Notebook. This leaves us paid in full through June 4th, 2014. As you know, this new development was posted so that all groups were able to receive this information. The issue was resolved and the groups voted on a new service provider. Bob F. will submit for reimbursement for his payment to start service. AT&T's final bill has not yet arrived as our old number was not released to the new service provider until June 14th. I was advised by AT&T (Tina) on June 18th to wait for final bill before making a payment. Our final bill for AT&T had not arrived at the beginning of this week. According to the automated service on Tuesday of this week (07/15/14), the balance due for the portion of July we owe is twenty-seven dollars and thirty-six cents (\$27.36). A Cashier's Check in this amount was sent on 07/15/14 to AT&T. This closes out the old account. After payments to AT&T our balance is one hundred fifty-four dollars and ninety-eight cents (\$154.98). It would seem that paying ConnectMe, our new service provider, for Info Line for at least a calendar year would be appropriate as groups approved a large payment before the rate went up with AT&T. ConnectMe could be paid for an extended period as their monthly rate has been quoted as nine dollars and ninety-five cents (\$9.95). In Loving Service, Deb F.
